3b: Golfer Responsibilities

1. Players shall arrive no earlier than 45 minutes prior to tee times.
2. Staff shall not handle bags, clubs, or other equipment, or transport these items to and from parking lot: players will be responsible for bringing their golf equipment to a designated area.
3. Players shall not touch or remove flagsticks from the cups at any time (any putts that hit the swimming “noodle” or similar device used to fill the hole, or the cup, will be considered holed), unless a touchless ball removal device is used.
4. Rakes in all bunkers shall be removed by golf course staff: the USGA suggests golfers play preferred lie and players to “rake” with their feet.
5. When playing, golfers should maximize physical distance per CDC Guidelines at <https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/socialdistancing.html> and attached to Palm Beach County Emergency Order No. 5, including any amendments thereto. All players shall stay at least six (6) feet apart at all times, and a course ranger or other staff member shall monitor player compliance on the course.
6. Play is set-up for walking, single-rider golf cart, or shared cart for families living in the same household. Course staff shall confirm household verification by IDs, supplied by golfers. Shared carts shall be marked and identified by a small colored flag to indicate verified family sharing.
7. Golfers shall bring their own water bottles and personal coolers containing water for proper hydration. When utilizing pre-wired water stations to fill water containers, golfers shall use their gloved hand for water access.
8. Golfers are encouraged to change shoes in the parking lot and bring their own hand sanitizer.
9. All golfers shall not congregate after play and shall leave the golf facility immediately upon completion of play to eliminate congestion and gathering on the property or in the parking lot.
